Summer Term

Dear Parents, Carers and Friends of St Saviour's School,

Welcome back, we hope you had an enjoyable break over the holidays and were able to spend some quality time together in your family. We have a busy summer term ahead with a number of activities and visits taking place. This term's dates will be sent to you early next week so look out for them. There are a couple of events coming up very soon though, so just a reminder of them first:

Autism Awareness Fundraising Day:

Friday 20th April – Non-Uniform (wear something blue or purple) suggested donation £1. Cake Sale – cakes will be on sale during the morning and lunchtime 50p per cake.

E-Safety Parent/Carer Information Session:

Wednesday 25th April 6.30pm

PC Jo Carter will be running a special parents evening focusing on E-Safety, gaming and apps. Feedback from other schools is that this event is highly informative and interesting and I would recommend as many of you as possible attend. The content of the presentation is graphic in nature and, therefore, not suitable for children to be present. We do hope you will be able to join us.

Staffing:

Mrs Heart – most Reception parents/carers will already be aware that Mrs Heart had her baby, Ella-Rose, prematurely, during the Easter holidays. I'm pleased to say that Mum and baby are doing well and that although Ella-Rose has needed some special care she is making good progress. Please do speak to Mrs Peckham, Miss MacMinn or Mrs Williams if you have any questions/queries.

It is with mixed feelings that I have to let you know that we will be saying farewell to some members of the school team in July, Miss Sangan (Year 5 teacher) is leaving us in order to be able to spend more time with her own young family, Miss Daghorn (Nursery Teacher) is exploring teaching opportunities in other countries and Mrs Tierney (Nursery Officer) is taking a break after illness. We are happy and excited for these members of staff but they will be sorely missed by us and the whole school community. We are currently in the process of recruiting to the available posts and will keep you updated as soon as we are able.

Sun Safety

As the nicer weather has finally made an appearance, please do ensure your child/ren has a sunhat (school ones available at uniform stockists) and a water bottle available for each school day. Please refer to the SunSafe newsletter that you received yesterday for any other information.

In line with our open door policy please do not hesitate to contact me if you have any queries. You can pop into the school office or telephone me. Alternatively, I am on duty at the gate most Monday and Friday afternoons if you would like to speak to me informally.

Yours most sincerely,

**Mrs Kirstie Williams
Headteacher**
