8<sup>th</sup> June 2018

Dear Parents/Carers,

It's that time of year again when I write to inform you of the staffing arrangements for the next academic year. I am pleased to be able to inform you that we were successful in recruiting two fantastic new teachers to join our team from September. Some staff are moving around year groups- sharing their expertise and good practice. Please see the table below for details of the teachers and the classrooms the classes will be taught in. We would like to invite all parents/families in on Thursday 5<sup>th</sup> July for a 'Meet the Teacher and find out about the Year Group' session. Further details will be sent to you nearer the time as there will be two different starting times for different year groups, 6.00 and 6.20pm, please arrive at 6pm and you will be directed to the classroom for the session – if your session begins at 6.20pm refreshments and information will be available in the Hall. We really look forward to welcoming as many of you as possible for this session, where you will be given lots of information about what to expect as your child moves on. The school transition day is planned for Friday 6<sup>th</sup> July, where pupils will move up to their new class for the day.

<b>Year Group</b>	<b>Teacher</b>
Nursery	Mrs Victoria Heart/Mrs Rebecca Peckham
Reception	Miss Kelly Horton
Year 1	Mrs Natalie Cordiner
Year 2	Mrs Laura Fowler/ Mrs Sue Titherington
