'Achieve, Respect, Co-operate'

Autumn 2019

October 2019

Dear Parents, Carers and Friends of St Saviour's School,

Welcome to our latest newsletter. Apologies that this is the first full newsletter of the academic year – the time has been whizzing by!

We have now well and truly settled into the new school year and the pupils are making good progress with their learning. We were delighted to see so many of you this week for the parent-teacher sessions. We hope you found it helpful to have the time to discuss things with the teacher.

News from around the school

As part of the Jersey Festival of Words recently, some pupils in Key Stage Two visited the Opera House to listen to and see authors at work. All pupils seemed to enjoy this experience.

Pupils and parents have given really positive feedback about the new format for the Friday assemblies. These community assemblies focus on the achievements of pupils throughout the week, inside and outside of school. It's a pleasure to hear and see the achievements. At the end of the assembly an Oscar award is given to just one child who consistently demonstrates the core values of our school – Achieve, Respect, Co-operate.

Achieve, Respect, Co-operate - ARC

Next Friday, 18th October, we welcome back the McCann brothers to St Saviour's School. These two inspirational brothers will be leading an assembly for Rec to Year 6 and then some workshops in Year 4 and Year 5. We are very much looking forward to this being an inspiring day, if their last visit is anything to go by. Watch out for updates on this on our school Facebook page.

The week beginning 21st October is a focus week – classes will be taking part in a range of creative activities in the run up to half term. Some classes will be inviting parents in to share their learning during this week.

PTA news

Thank you for your support of the Macmillan fundraising event recently. All monies raised were given directly to Macmillan. The many baked cakes and biscuits were very well received, thanks for spending the time baking and bring the goodies in. Thanks also to the PTA members who organised the event.

The PTA AGM was held during the afternoon. A new committee has now been formed and Mrs Sharon Ellis, chairperson, is in the process of organising the first meeting for 17th October. The first agenda item will be discussing the school Christmas fayre. Unfortunately, we had to cancel this last year due to a lack of support – we really hope to get as many people on board as possible this year and will be asking for your support and generosity to enable this event to go ahead. The date planned for the Fayre is Friday 6th December.

Extra Curricular

Well done to the football A and B teams who have done really well in their first couple of matches against St Clement's School and VCP. The netballers and cross country runners are looking forward to events coming up too.
