'Achieve, Respect, Co-operate'

December 2019

Autumn Term

Dear Parents, Carers and Friends of St Saviour's School,

This is a very short newsletter as our term draws to a close. It's been a really busy few weeks and a number of celebratory events having already taken place – we have so enjoyed seeing many of you at our recent Christmas events. We have also welcomed parents to Sharing Sessions which have included dynamic dancing in KS1 with our dance instructor, Dragos, and a taste of the French Experience in Year 5 with Madame Surcouf. We look forward to our party day for all pupils on Thursday this week and our last day of term on Friday 20th December. Both Thursday and Friday will be non-uniform days, party clothes and any Christmas clothing are welcomed but not essential on these days.

PTA Christmas Fayre :

A huge well done and thank you to the PTA and all of you for your support of the Christmas Fayre held on Friday 6th December. It was really well attended and seemed as though much fun (and secrecy) was had by all. The pupils particularly enjoyed the Santa's Grotto and the Secret Gift Room. Due to your generosity the incredible amount of just over £1000 was raised!

Thank you!

The CLIC SARGENT collection at KS2 carol service raised a magnificent £203 – thank you!

Staffing:

We have been fortunate to have Miss Beadle working in the Nursery and school this term. She is starting a full time post at Plat Douet in January, so we will be welcoming Miss Bashforth to work in Nursery part time and she may also work in other classes in the school during the term. We wish Miss Beadle all the best as she takes up her new post.

We are delighted to welcome Miss MacMinn back after a successful surgery. Mrs Pallot will still be supporting Reception from time to time and other areas within the school.

A few reminders and request for your support:

- Please provide your child/ren with appropriate shoes for school, especially in the wet weather. Some pupils have been uncomfortable in mesh shoes in the heavy rain as their feet have got very wet either in the rain or puddles.
- Please ensure you arrive at school in good time for an 8.45am start, teachers start their duties at 8.30am. Ali Moffat, the Education Welfare Officer will be in school in January and is available to support with any concerns/questions to do with lateness or attendance.
- We enjoy helping celebrate your child's special day and are happy to give out cakes/treats on special occasions at the end of the school day. To help us to be able to do this if you would like us to, please provide small individual cakes or treats. We are unable to cut up large cakes and don't want to cause any disappointment.
- We are delighted to have the support of Deputy Pamplin and our Eco Team in making the walking routes to our school safer. You may have seen this on our school Facebook page. In the new year we will be asking you to reply to a survey so that we can find out more about this issue.

Look out for information in January about a focus week we will be holding during the week of 10th February. Every class in school will be designing and building a vehicle that links with their topic. Please could you help by bringing in shoe boxes and clean plastic takeaway tubs. Thanks in advance

Our school term ends Friday 20th December, we welcome everyone back on Monday 6th January. Wishing you all a very Merry Christmas and a Happy New Year! Thank you so much for all of your support and help in 2019.

Yours most sincerely,

Mrs Kirstie Williams
Headteacher
