

Reception

Summer Term

2019-2020

This term our learning will be based around the theme of
‘Fairy Tales!’

Children will learn about the following...

Personal, Social and Emotional Development: Learning about how to be a good friend, making good choices, about families and what changes we might see as our bodies grow.

Communication and Language: Turn taking in conversation, listening to others, being respectful and using talk to share ideas, feelings and events. Creating their own Helicopter stories where they are told and acted out with the class.

Physical Development: To form most of our letters correctly through handwriting practice, attempting to write labels and captions for their creations and simple sentences with adult support. We are continuing to focus on how to be healthy.

Literacy: Learning about and retelling fairy tale stories, reading simple 3, 4 & 5 letter words e.g. tree, ship, shark, recognising sight words confidently (words on their rockets) and becoming confident at answering questions about stories they have read.

Maths: We are continuing to learn addition and subtraction up to 20 using objects to support, practicing our number formation, learning about measures in length, weight and capacity, doubling and halving numbers and recognising, naming and sorting 2D and 3D shapes.

Understanding the world: We are learning about the season Spring and plants, their parts and what they need to grow. Farm animals and their babies and how to care for animals.

Expressive Arts and Design: Continuing to develop their skills through observational drawing, selecting appropriate colours and creating decorative recycled models. In music, continuing to keep to a beat with instruments, copying a pattern and reviewing our creations and taking the next steps.

Polite reminders for when we can return back to school:

P.E. Day: Tuesday

Please ensure that your child comes to school wearing P.E. kit on Tuesdays and Wednesdays if they are a swimmer (you will receive a letter to confirm)

Golden Rules:

We are continuing to learn the Golden Rules and understand what they mean:

- We are polite and respectful
- We are safe and caring
- We are honest

Trip:

We will be visiting a Farm this term to support our Spring and Fairy-tales theme. (Date to be confirmed)

Reminders:

- Please ensure that sound fans and reading diaries are kept in your child's book bag as often as possible to be updated.
- Waterproof coat depending on the weather as the children have access to outside provision all day.
- School sun hats are now needed especially when it's hot.

You can help your child to succeed by doing the following:

- Reading daily with the online reading resource 'Collins Connect'
- Practicing their sounds and rockets each week
- Encouraging your child to help to write the shopping list, cards, or a comment about their picture using their sounds
- Going for walks or a bike ride and observing your surroundings, discussing what you can see, hear, smell
- Talking about what you are doing and asking questions about what you have done to develop their language and vocabulary

**Thank you for your on-going support.
 Miss Horton and Miss MacMinn**
