'Achieve, Respect, Co-operate'

June 2020

Dear Parents, Carers and Friends of St Saviour's School,

It has been really fantastic to see so many of you over the last 2 weeks as our school has gradually reopened to everyone following the closure since March. We have really appreciated your patience, understanding and respect for the way in which we are operating in the 'new normal'. The staggered start and end times and different play and lunch arrangements have led to a much more settled, calm school environment and we are all enjoying the extra space on the playground and field. The children have adapted amazingly and are respectfully following the one way systems, hand cleansing routines and the class bubbles. As things are different at the moment we are providing opportunities for new class teachers to spend shorter sessions meeting their new classes through visiting them for stories, activities etc.

Class teachers for next year:

We are really pleased to be able to let you know that there are no plans to change teachers in the year groups next year so the classes will remain as follows:

| Class | Teacher |
|-----------|--|
| Nursery | Mrs Victoria Heart |
| Reception | Mrs Kelly De Louche (Miss Horton is getting married this summer) |
| Year 1 | Mrs Natalie Cordiner |
| Year 2 | Miss Rosie Pyart |
| Year 3 | Miss Cerys Lebouc |
| Year 4 | Ms Kate Amy |
| Year 5 | Mrs Laura Fowler/Miss Kerry Sangan |
| Year 6 | Miss Mia Traynor |

Mrs Peckham and Mrs Alsop will continue to work in classes throughout the school and support key aspects of school improvement.

Summer Term

Support staff will support classes according to need and will be allocated towards the end of term. A full staffing list will be updated on our school website. Mrs Kim Lopez is becoming the teacher in The Haven as Mrs Judy Allan retires this summer. Following a recent recruitment process I am pleased to announce that Miss Aimee Rolland has been appointed as Team Leader and will be working closely to support Mrs Lopez.

We are disappointed that we can't meet for assemblies, farewells and special events in the same way that we have previously. Please be reassured that we are continuing to do some of our planned events – just not in the same way. We are having our Friday assemblies through video links, we are giving out an Oscar award again each week, sharing stories and enjoying listening to some of our favourite school songs together. We are planning things differently but this is helping us to be creative. We are learning lots of new skills and enjoying sharing ideas and tackling new challenges.

This week we are celebrating Jersey's first Children's Day on 3rd July and will be talking about this in assembly and in classes. Year 6 have taken part in a local art project for this and we have ordered a tree (a silver birch) to be planted in our school garden area in the Autumn Term.

In line with our open door policy please do not hesitate to contact me if you have any queries – the doors are not as open as they used to be but that does not mean I cannot talk to you. I'm happy to book a meeting, telephone you or come outside and listen to you, just let me know.

Yours most sincerely,

Mrs Kirstie Williams
Headteacher
