'Achieve, Respect, Co-operate'

November 2020

### Dear Parents, Carers and Friends of St Saviour's School,

Welcome to our latest newsletter. I hope you and your families are all safe and well. I thought now would be a good time to write to you and explain some of our arrangements for the Christmas period in school, as it is fast approaching! Things will, as you can imagine, be a bit different this year.

#### Deco Day

We will continue to have a Deco Day and have planned this for Friday, the 4th of December, this will take place in children's own classes. On that day please can all children come to school in clothes that are suitable for art and craft- something that will be okay if they may spill a bit of glue or glitter on them. We will be getting festive with music and fun activities on the day. All decorations will be hung in classrooms and some in shared areas like corridors.

#### Christmas Party Day

We will be having our Christmas party day on Thursday, the 17th of December. We want the children to have a fun and exciting day as usual but this year, this will take place in each class bubble. On this day your child can wear party clothes or something of their choice. Unlike other years, this year we are asking parents/carers to provide a lunchbox for their child to eat their own Christmas party lunch, you may choose to send some treats in as part of their lunch box on that day. Unfortunately, we won't be able to provide shared party food like we usually do.

Autumn Term 2020

### Christmas sharing to parents/carers

As we are unable to share end of term/Xmas performances this year, we will be uploading some videos on to the school website for you to see. We know how precious it can be to see your child doing something with their class and look forward to when we will be able to do this again in the future, however, we thought sharing a video would be the next best thing.

### NEW SCHOOL MASKS POLICY

From Monday 30<sup>th</sup> November we be starting a 'No Mask, No Entry' policy for visitors to school. This means any visitors or parents who have to enter the school building will be required to wear a mask. As you are aware, we are limiting people who enter the school building anyway, but those who need to come in, from Monday, will only be allowed to enter if they are wearing a face covering, mask or visor. For any parent-teacher discussions outside (ie, on the gate) we are also strongly encouraging the use of masks for any conversations.

**THIS DOES NOT APPLY TO CHILDREN.**

### Staffing

I would like to take this opportunity to let you know that at the end of the term Miss Sian Renouf, key worker, will be leaving the school. We wish her all the very best in her new endeavour and hope she keeps in touch to let us know how she's getting on in her new job. We welcome to our staff Ms April Rosner, who joined us at the beginning of November and is working as part of our staff team in the Haven as well as Mr Chris Riley who is our new sports coach. In January we very much look forward to welcoming Mrs Joanna McIntosh to the team as well.
