## May 2021

Dear Parents/Carers,

Welcome to our latest newsletter of the Summer Term. The pupils have been incredibly busy with their learning and it's been wonderful to see some classes going out on visits now that some restrictions have eased a little. Remember to look out for any information relevant to your child and their class. We are awaiting further guidance. After half term, in order to plan final events of the year, we will be awaiting any updated guidance on the island reconnection roadmap. Currently, we will not be holding a traditional Sports Day or Y6 Leavers Assembly but we are hopeful that if there is a further relaxation of the restrictions we will be able to do something. More news to follow once we know what we are able to plan for.

## TEACHING STAFF FOR 2021-22 ACADEMIC YEAR:

Class	Teacher
Nursery	Mrs Victoria Heart/Mrs Danielle Alsop
Reception	Mrs Kelly De Louche
Year 1	Mrs Natalie Cordiner

**PARENT- TEACHER EVENINGS:** We are looking forward to parent-teacher meetings in June. We will be sending details out straight after half term and are awaiting any further updated guidance on how these can take place. Currently, we will be continuing with the virtual parents meeting via telephone or digital face to face link. This may change and we may be able to hold face to face meetings in school, we will keep you updated. The purpose of this terms meeting is to focus on progress since the school report was written, to discuss how your child has done with their identified next steps in learning.

**JERSEY ROYAL POTATO GROWING COMPETITION:** The results are in! We have enjoyed taking part in the annual competition and can now tell you that Year 4 grew the heaviest crop (750g) and After School club grew the highest number of potatoes (36). **WELL DONE!**

**WEATHER:** The weather looks as though it will be better next week, a bit warmer and sunnier. The UV levels are creeping up so please remember to provide your child with a sunhat for school. School caps are available at uniform stockists. Pupils are also encouraged to bring a water bottle for drinking during morning and afternoon sessions. Juice and squash is allowed at lunchtimes but it is water only at all other times, this supports dental hygiene. We appreciate your support with this.

In line with our open door policy please do not hesitate to contact me if you have any queries. Please either ring or email to let me know you would like me to get in touch with you.

We welcome any and all feedback so that we can improve on any aspects to make things even better for all of the pupils at our school. There may be times when we cannot change things in line with your suggestions but we will be able to explain the reasons behind this to you.

Yours most sincerely,

Mrs Kirstie Williams

Headteacher

## More Important News

**Reminder - SCHOOL BAGS:** From September, as we re-model the cloakroom spaces for learning zones..... I thought it better to write in advance of this and let you know our plans. We will remind you of this before the end of the summer term. Larger bookbags are available from our uniform stockists.
