Annual reports out to parents

April 8

End of term. Non uniform day

Dear Parents/Carers,

Welcome to our latest newsletter, January is just flying by! Firstly, I would like to thank you for your continued understanding and patience during what has been a very disrupted start of term. We have faced significant staffing shortages and high numbers of pupil absence. I have everything crossed that we are at last turning a corner with this and hope to have a more settled week next week.

You should all have received, early in the term, the curriculum newsletter for your child's year group and know what they will be learning throughout the duration of this term. Should you have any queries about this please get in touch and we will get back to you. The easiest way to get in touch is using the email address or telephone number at the top of this newsletter.

Updates:

- I have recently written to Year 4 pupils' parents to inform them that Miss Sangan is moving on at the end of this half term and taking up another position at St Mary's School. We wish her all the very best in her new post and will miss her here at St Saviour's. Mrs Peckham will take over teaching in Year 4 on Mondays.
- We are really excited to be supporting the NSPCC Maths Day on Friday 4th February. We are encouraging the children to come dressed down with a number theme and are planning some fun maths activities for the day in classes. As this is an NSPCC fundraiser we are requesting donations for the non-uniform. Please see the following link for more information:
<https://www.nspcc.org.uk/support-us/events-fundraising/social-special-events/number-day/>
- Thank you for your support of our school uniform policy and ensuring your child has the correct footwear. The pupils are looking really smart!
- The staff are having an INSET training day on Friday 18th February so school closes for the half term on Thursday 17th February
- Teachers are now busy writing the annual report for your child and these will be sent out before the end of term.

In line with our open door policy please do not hesitate to contact me if you have any queries. Please either ring or email to let me know you would like me to get in touch with you.

We welcome any and all feedback so that we can improve on any aspects to make things even better for all of the pupils at our school. There may be times when we cannot change things in line with your suggestions but we will be able to explain the reasons behind this to you.

Yours most sincerely, Mrs Williams
