

School Newsletter

December 2022

Dear Parents/Carers,

Welcome to our latest and final newsletter of the term. I hope you and your families are all safe and well. We have been delighted to have parents and families in school for recent class and Christmas events and have hugely enjoyed seeing everyone attending the events. It is always a pleasure to see families enjoying the child/ren participating in a performance/ festive event. We have a few more events taking place this week and look forward to welcoming you to these if you haven't been already. A HUGE thank you for support at these events. We have had a really busy and successful term and it is wonderful to finish it off so positively.

OPAL – Outdoor Play and Learning

We have had really positive responses from the children about the new lunchtime equipment and range of activities. This is working really well and ensuring happy and safe playtimes for all. Ask your child about their favourite thing to do now at lunchtimes – we will be adding lots more next term. Year 5 and Year 6 pupils were all trained in peer mediation in November and a number of them have applied and successfully taken up the roles starting this week. We are very proud of all of the pupils for being involved in these developments.

Christmas Party Day - (Thursday)

This Thursday is our annual Christmas Party Day and we hope the children will have a fun and exciting day as usual. During the day pupils will enjoy a range of fun party games and activities. Your child can wear party clothes or something of their choice to school and bring their lunchbox with some treats in as part of their lunch.

We have heard that there may be a special visitor delivering some things to school on the day and all pupils will have a gift delivered to them to bring home at the end of the day.

Non-Uniform on Friday – Christmas/Festive themed:

On Friday, the staff will be wearing their Christmas themed jumpers. Pupils are also invited to wear something Christmassy/festive or their own clothes.
