Dear Parents/Carers,

Welcome to our latest newsletter. In school, we are enjoying the improving weather and are particularly pleased to have a bit more space outside as the weather and seasons change. As you know the OPAL lunchtimes are developing really well with new resources and opportunities regularly being introduced – this week the playhouse has become a space for Easter related activities including a scavenger hunt and easter egg trail. The trained Peer Mediators from Year 5 and Year 6 are doing an incredible job in supporting peers to manage any difficulties they may be having – we really appreciate their support in ensuring safe and happy playtimes.

The GREAT Easter EGGs-hibition:

In assembly on Monday the pupils asked if we could hold an Eggs-hibition again this year – they were very keen and many of them said they wanted to have a go at designing and making an entry. We would like to invite pupils to take part in this competition to celebrate Easter through decorating an Easter egg to bring into school. Topical themes always work well, i.e. Eggs-factor or Eggs-ercise. Other ideas could be an eggs football match, eggs-pedition, eggs-hausted or eggs-plosion! There is lots of inspiration online.

We will have 1 prize per class, judged by an independent person. Eggs can be brought into school on the last Tuesday and Wednesday of term (28th – 29th March) and taken home later that week, before school finishes.

Good luck – we cannot wait to see all your egg-citing creations!

Upcoming Events

March 22

Class photographs – School uniform please

March 28-29

Easter EGGSHIBITION starts; all entries welcome – School Hall

March 29

Annual reports given out to parents

March 30

Last day of term – non uniform

March 31

INSET Day for staff – school closed

April 17

School re-opens for the Summer Term

In line with our open-door policy please do not hesitate to contact me if you have any queries. Please either ring or email to let me know you would like me to get in touch with you. We welcome any and all feedback so that we can improve on any aspects to make things even better for all of the pupils at our school. There may be times when we cannot change things in line with your suggestions but we will be able to explain the reasons behind this to you.

Yours most sincerely, Mrs Williams

Annual School reports

Yes, it's that time again, school reports will be handed over at the end of the day on Wednesday 29th March. These reports are to share information with you about your child's progress and achievements so far and to inform you of their next steps.

If you are unable to collect in person but would like your child to bring it home with them, please email admin@stsaviour.sch.je and let Mrs AC know. Any not collected will be posted to you in April.

Careers and Aspirations Day

We were delighted to work with Lucy from Inspire the Future at Skills Jersey recently during National Careers Week. Skills Jersey gave us a 'shout out' on social media.

"We continue to celebrate National Careers Week with another great #InspiringTheFutureJersey event. Today's was held at St Saviour's School, Jersey where children from Year 1 to 6 were able to chat to volunteers from a range of different careers including biomedical science, engineering and broadcasting."

Thank you to all the volunteers who took part.

Polite request – drop off and collection

I have been asked to politely request that parents/carers/friends/family members dropping off or collecting children are mindful of others and vehicles. We are aware space is limited for waiting and know this brings challenges until the pupils are entering/exiting. Many thanks to the Reception families and friends who have adjusted to the new routine of using the back gate in the mornings and afternoons – we have been really impressed with the increasing independence and self-care the Reception pupils have demonstrated over recent weeks.
