

St Saviour's School Newsletter

April 2024

Welcome to our latest newsletter. It's been a great start to our summer term with lots going on in school. We are delighted to have seen some more consistent sunshine and a bit of warmth and the pupils are really enjoying playing on the field and making the most of the OPAL opportunities at breaktimes as well as lunchtimes. The newly introduced wheeled toys are particularly popular. In anticipation of more settled weather, we are encouraging pupils to remember their sunhats, water bottles and sun cream in the coming weeks.

Staffing – Changes and recruitment Teachers

We are currently in the process of recruiting 2 new teachers as Miss Robinson and Miss Park will be moving on at the end of this school year. We have been really fortunate in having them as teachers at our school. Miss Park is returning to teaching in an international school and Miss Robinson will be doing something entirely different. We will be inform you of class teachers for September either just before or after half term.

Keyworkers

We have recently recruited a new Keyworker for The Haven, Miss Le Roy will be joining us in June. We are hoping to recruit a further member of staff in a keyworker role in the coming weeks. This will be to replace Mrs Allen, who has been successful in gaining promotion to support the ARC at St Clement's School and will be leaving us at the end of the summer term also.

EYFS Assistant

We will soon be advertising for and recruiting an Early Years assistant to cover the parental leave of Mrs Miles, she will be taking a year's break starting in July 2024.

Catering Assistants

We have 4 new staff members joining our team in the next couple of weeks as part of our move to hot school lunches. They will be in school completing some training and getting to know the pupils and staff next week, ready to take up their roles on Tuesday 14th May.

Once we have completed the outstanding processes and have recruited new staff, we will let you know.

Parent info/community events

The Island-wide Inclusive Education launch last Thursday was really well attended and I have feedback from a range of parents and carers, as well as staff, who attended and found the event informative and interesting. Should you wish any further information, please look at [Building an Inclusive Education and Early Years system in Jersey \(gov.ie\)](https://www.gov.je/building-an-inclusive-education-and-early-years-system)

Cake Sale – Friends of St Saviour's Event

Thanks to all who supported this event -through providing, selling or buying cakes. There was a fantastic community feel and it was lovely to see so many parents and wider family members, with their children, in and around school.

'Flipped' Parents Evening sessions – 21st and 23rd May 2024

As usual, we will be offering parent-teacher meetings at the end of this half term. The purpose of these meetings, as trialled last year is to allow pupils to share their learning, progress and achievements with you, particularly as a follow-up from their spring term written reports. Look out for further information in the next two weeks.

School hot meals launch – 14th May 2024

Save the date: Sports Day

This year, our school Sports Day will be held on Tuesday 2nd July. KS2 pupils will take part in the afternoon and younger pupils in the morning. Further details and timings to follow.

Uniform update

Thank you for the responses to our recent survey. We will now consult with pupils and begin to update our school policy in line with the Government policy which is due to come on line by September 2025. Your comments and suggestions were really helpful and are supporting us in making changes over time. Lyndale Sports will continue to stock and supply our full school uniform, including PE kit.

JSSK are in the process of winding up their business and have their last few days of opening this week. There are currently discounts as they hope to clear most of their stock. The shop, based at Les Quennevais Parade, closes its doors at 5pm on Saturday 4th May, all stock is reduced with multi-deal offers in store on uniform shorts, trousers, skirts, skorts, socks and tights, with a free school hat (whilst stocks last) with any purchase over £50.

Allergy Update:

Following advice from medical practitioners, I'm pleased to be able to inform you that beef products and beef flavourings are now allowed in school. One pupil's nut allergy remains significant and therefore, on medical advice we maintain our nut free school status. We really appreciate your support in keeping all of our pupils safe.

The Rainbow Allotment Project 2024 - supported by Channel 103 and KPMG

Last week, pupils from Nursery to Year 6 enjoyed planting seeds as part of this project – watch this space to see how they grow...

Please see our school social media pages for information about our enrichment clubs for this term. (Social media links at the bottom of page 1 of this newsletter).

Monday 3rd June

School reopens

Tuesday 2nd July

Sports Day

Open Door Policy

In line with our open door policy please do not hesitate to contact me if you have any queries. Please either ring or email to let me know you would like me to get in touch with you.

We welcome any and all feedback so that we can improve on any aspects to make things even better for all of the pupils at our school. There may be times when we cannot change things in line with your suggestions but we will be able to explain the reasons behind this to you.
