

St Saviour's School Newsletter

September 2024

Welcome to our latest newsletter update.

We have had such a wonderful start of term and it has been fantastic to see pupils settling so well into their new classes and routines. We look forward to welcoming parents in a couple of weeks for our short parent-teacher meetings to share how you child has settled into their new class. Watch out for information in relation to signing up for a slot on 8th or 10th October.

Photos from the start of term:

Y3 are really enjoying their Farm School sessions

Our new Pupil Government has been launched

Parent Survey Feedback:

Thank you to parents who completed the Parent Survey in July. There were 37 responses. The responses received indicate an increase of 8% of parents agreeing/strongly agreeing that their child is happy at our school (from 84% in 2022 to 92%). No parent who responded thought their child was unhappy at our school. In terms of their child feeling safe 89% of parents agreed or strongly agreed that this was the case, an increase of 6% since 2022. 100% of parents reported that they know who to talk to if they have a concern about their child or their learning. We have a number of comments and some suggestions we are currently acting on and considering. Thank you once again.

School Improvement priorities for 2024-25:

As part of our school improvement planning (SIP) for this academic year, we write a 'SIP on a Page'. This captures our key areas of focus and what we aim to achieve over the school year. I have included this on the next page of the newsletter so that you can see what we are working on too. Should you have any comments or feedback, please do let us know.

Snippets: Some helpful bits of information

Second-hand Uniform

Second-hand uniform is still available for £1 per item. We have 2 parents supporting with selling items on the last Thursday of each month between 3 and 3.30pm. Please come to the school hall.

Apetito School lunches

Mrs McMahon has now left us, please contact Mrs AC at admin@stsaviour.sch.je for any queries or support with school lunch ordering or payment

Sunshine Ave and Little Sunshine Ave

These roads are now only accessible to residents, please do not use them to drive through

Achieve, Respect, Cooperate

SIP on a page 2024-25

Curriculum, Teaching and Learning: *Further develop the curriculum in order to continue to raise standards of attainment for pupils without complicating factors, with all pupils making at least good progress from their starting point.*

Maths is engaging and pupils are successful.

Teaching and learning in PSHE and science gets even better.

Some pupils do more learning outside the classroom and develop different skills.

Phonics and early reading are taught well in EYFS.

Behaviour, Attitudes and Attendance: *Further develop systems for addressing pupil absence and punctuality to improve overall attendance.*

Nearly all pupils arrive on time and attend school almost all of the time.

Personal Development: *Further develop and refine systems which are designed for pupils to lead and engage in discussions, particularly about issues that affect them.*

Pupil Government who work together to make the school a better place.

Work towards getting Rights Respecting School Gold Award.

Leadership and Management: *Leaders ensure that staff, at all levels, prioritise raising the achievement of all groups of pupils.*

Leaders keep reading, researching and learning to help them make the best decisions for our school.

Leaders make sure staff in school support all pupils to be successful learners.

Leader's use team coaching to plan what they can do to make the school better.

The Effectiveness of Early Years Provision: *Develop an Early Years Unit to support and meet the needs of all, enabling all groups of pupils to make strong progress from their starting points.*

Our youngest pupils move between spaces and activities in EYFS and receive support and appropriate challenge from a range of adults.
