

St Saviour's School Newsletter

July 2025

Welcome to our last newsletter update of this academic year.

We have had such a wonderful couple of weeks and it has been fantastic to see so many of you at our recent school events including Sports Day and the Reception Class Graduation. It has been busy in all classes with a range of trips and visits taking place. We were a bit unlucky with the weather for our Whacky Wednesday but this didn't stop the children having a great time and they got VERY wet anyway as part of the water play activity.

Pupil Government updates: Following discussions and many requests held in class meetings this term, the Chief Minister and Bailiff recently met with the catering assistants and Mrs AC. It has been agreed that from now on pupils eating hot lunches will be able to have a small portion of ketchup or mayonnaise with their food. This has been very gratefully received by the pupils. A **HUGE** thank you to all ministers and deputies for all their hard work this year.

Thank you for all your support of the school over the last year, this has been invaluable and has made a real difference to your child/ren. We enjoy working closely with you and hope you feel the same. We wish you all an enjoyable summer and look forward to seeing everyone again back in school on Tuesday 2nd September. **Mrs Williams and the whole staff team**

Key Dates:

Friday 18th July – Last day of Summer Term and Talent Show final. **NON UNIFORM** as voted by the pupils

Friday 24th October – INSET Day; school closed to pupils

News about September:

We're rocking things up at school, and we're super excited to let you in on the big news...

Times Tables Rock Stars is coming to our school!

To celebrate the launch in style, we're kicking things off with a **Rock Star Day** on **Friday 12th September 2025**. Get ready for some serious fun!

We're inviting all our rockstars-in-training (that's your lovely children!) to come to school dressed as rock stars – think leather jackets, sunglasses, spiky hair, bandanas... the louder, the better!

Throughout the day, the pupils will take part in a variety of Times Tables Battles, where classes will compete in friendly maths duels to see who's got the quickest times table fingers in town. It's going to be loud, energetic and packed with number fun!

Times Tables Rock Stars is a fantastic, fun way for pupils to build confidence and speed with their multiplication facts – a key skill for maths success. So dust off those guitars, grab the glitter, and let's make Friday 12th September a day to remember!
