May 2025

## Welcome to our latest newsletter

This half term has flown by. We feel like we are just getting into the swing of things and we are having our half term break. The second half of the summer term promises to be much more settled and we are looking forward to having 7 straight, full weeks with the pupils.

### Good news:

We are delighted to share that our Year 1 class were the island winners of the most Jersey Royal New Potatoes in a single bucket – more than any other school! Well done Y1! Some pupils were invited up to St Ouen's Parish Hall for a prize-giving ceremony and were interviewed by local media.

### Community Liberation 80 Tea Party:

The tea party to commemorate the 80<sup>th</sup> Liberation of Jersey was a huge success recently, thanks to everyone that came along and particularly to those that helped. From the generous donations given at this free event, we were able to send almost £80 to the British Red Cross – thank you!

### Flipped Parents Evening:

Parents Evening sessions for **Monday 9<sup>th</sup> June** (3.15-5.15pm) and **Wednesday 11<sup>th</sup> June** (4-6pm) are now open through the following link:

<https://stsaviours.schoolcloud.co.uk/> .

We particularly look forward to these parents evening sessions as pupils share their learning with you, talk about what they have achieved and what they are proud of. Please do book as soon as you are able to. The booking system will close on **May 30<sup>th</sup>**.

### Pupil Government:

At our most recent meeting pupils raised that they would like the option of some condiments to be available for hot school lunches. This includes tomato ketchup and tartare sauce. Our Chief Minister and Bailiff are planning on meeting with the catering staff to discuss this. Another item on the agenda was the request for more lunchtime clubs/activities, as some pupils are not able to attend after school due to other commitments. The OPAL and Enrichment Minister has carried out a survey to see what further clubs/activities would be popular.
