

St Saviour's School Newsletter

January 2026

Welcome to our latest newsletter.

This month seems to have gone so quickly with the pupils settling straight back into their learning after the Christmas break. Lots of new Enrichment Clubs have started up in school including a repair club, dance club and hockey.

School meals:

Following the recent survey results collated by CYPES, it has become apparent that many parents and carers still have unanswered questions regarding school meal menus, how to set up a ParentPay account, how to order meals via ParentPay and eligibility criteria for Free School Meals.

To support this, please click on the following link to a Hot School Meals guide [Hot School Meals in your School - Online Guide Spring Term 2026](#)

Next term we will be arranging a parent tasting session so you will be invited to try the meals on offer for pupils.

We are Global Citizens...

At St Saviour's School, we are committed to developing our pupils as responsible global citizens. Through learning that promotes empathy, respect and awareness of the wider world, children are encouraged to understand their role in creating positive change. Watch this space for further work supporting local charities, exploring careers that make a difference, and deepening our understanding of the United Nations Global Goals. We aim to empower our pupils to play an active role within their community and to work collaboratively with others to help make our planet more peaceful, sustainable and fairer for all. **Mrs Fowler - Year 6 Teacher**

Pupil Government Updates:

English Ministers – Are working hard finding out what the pupils want to do for World Book Day and have carefully selected the entries for the Handwriting Eisteddfod.

Creative Arts Minister – Has selected artwork from each class to enter into the Eisteddfod.

STEM Minister – Has been working alongside a local solar panel company to run a 'Solar Dream Home' competition for Year 4 and Year 6 pupils. Some of these pupils were interviewed by SunWorks and will be included in some of their production.

ML Ministers – Have shared the language of the month, which for January is German, with all pupils. Ask your child at home to tell you how to say good morning and good afternoon...

Eco Ministers – Have been monitoring the recycle bins in each class and have begun to select two areas to focus on to work towards our 'Green School' award

Core Ministers (our Fab 4)- Have continued networking with other schools as part of the School Council Network and have recently attended an event at Jump Jersey. This group have been busy analysing the class government minutes and have identified 3 key areas to focus on and develop over the coming terms, these were things that came up a few times across classes.

They are:

- Sport – more sports, longer time on a sport in PE, bigger goals
- Nature – creating more places which encourage wildlife to visit our schools; learn about more animals of the World, create natural spaces to use at breaks and lunches
- Art – more opportunities for 'free' art within lessons/across time

Another focus of the Pupil Government in the next couple of weeks is to choose the charities that the school supports through fundraising activities. There are lots of democratic decisions to be made, we are fortunate that the pupils are up to the challenge and very motivated to make change happen. Watch this space...

Key Dates for your diary:

Tuesday 10th February - Safer Internet Day

Monday 16th-Friday 20th February – HALF TERM WEEK

Wednesday 4th March –“Careers that Make a Difference” Careers Fair for pupils in Y1-6

Thursday 5th March – **World Book Day, details to follow**

Tuesday 21st April – First day of Summer Term

Please see below for information about specific parent sharing session dates where pupils will be showcasing their presentational talk. This type of talk is a current focus for us as a Centre of Excellence school.

Open Door Policy:

In line with our open-door policy please do not hesitate to contact me if you have any queries. We welcome any and all feedback so that we can improve on any aspects to make things even better for all of the pupils at our school. There may be times when we cannot change things in line with your suggestions but we will be able to explain the reasons behind this to you.

Yours, most sincerely, Mrs Williams

Achieve, Respect, Cooperate
